

Information about changes to our invoicing details

Dear Partner,

We have taken into use software called Procounter and we can now receive e-invoices.

We hope you will now send your invoices primarily through this new system. The processing of electronic invoices is faster, more reliable and cheaper for both sender and recipient than handling paper invoices.

Our e-invoice details are

Operator	e-invoice address	OVT-code
OpusCapita Group Oy - Itella (003710948874)	003728162415	003728162415

If you cannot send e-invoices, please send paper invoices to our invoice scanning service at:

PKtehokasyritys Oy (OpusCapita scanning service)
PL 95586
00063 LASKUNET
FINLAND

In order for the scanning service to be able to properly handle your invoice, this billing address must be printed on the invoice itself, not just on the envelope. Nothing other than invoices should be sent to this billing address, the postal address of the newsletter and marketing material remains unchanged.

PKtehokasyritys Ltd's email address for scanning: PKtehokasyritysOy.FI.P.121330-5@docinbound.com

Best regards,

Antti Leijala
